We've just released our second Fable 2 original episode to Xbox Live Marketplace. Download yours now for free: In Kingdom Come, a young man's journey from a quiet suburban life to a town destroyed by a city-wide game of capture the flag. Seth and Doug, former high school friends and current managers at an arcade game empire, have gotten older and started to question the nature of their jobs. Seth is convinced that they're all a bunch of phonies who let other people do the work while they enjoy the spoils. Doug, on the other hand, secretly believes that they're all living in a great big lie. If only they could stop lying, they'd know the truth! In Greenleaf, a woman's life is turned upside down when she learns her ex-boyfriend, who she has not seen in years, is thinking about her son. After I left for college, I rarely talked to my parents. As the years passed, the distance between us grew. I thought I'd never see them again. Then, one day, they appeared in my driveway and I wasn't prepared for what happened next. After a long and at times difficult journey, I discovered that I had a brother! What a shock! My parents spent their remaining years making me understand the importance of friendship, compassion and faith. They wanted me to be strong in every aspect of my life. When my
